Treasure Curse Removal Certificate

Are ye concerned that your finances (treasure) are under a curse? Have Robert Morris, Kelly Dykstra, Perry Noble, Craig Groeschel or any other scurvy pastors told you that your money (treasure) is under the curse unless you redeem it by giving them the very very first ten percent of your hard earned cash? Not to worry.

Whereas I am a pirate captain, and we captains have the authority to break any and all curses that have been put on any treasure, I am officially exercising my powers and removing the curse on your treasure by declaring all of your treasure to be uncursed. Furthermore, I declare all of the treasure that you will earn from now until the end of your life to also be uncursed.

Whereas I am a generous pirate captain, I must insist that you receive my curse breaking services as a gift. Please do not try to buy this gift. This is a free service that I am doing for you out of the kindness of my heart due to the joy that I feel as a result of having all my sins freely forgiven by the bitter sufferings and death of our beloved Lord and Savior, Jesus Christ. Since He freely released me from the curses of sin and the law I can't help but to also want to release all of your treasure from the curse, for free.

Now that your treasure has been released from the curse you are now free to support your church or any other ministry that preaches the gospel to you and properly instructs you in the word of God with the amount that you've "decided in your heart, not reluctantly or under compulsion, for God loves a cheerful giver." (2 Cor 9:7)

Enjoy your freedom.
